In the Matter of

THE COMPLAINT OF MR. JAMES E.	)	
CRAIG AGAINST CLARK RURAL	)	CASE NO. 8846
ELECTRIC COOPERATIVE CORPORATION	)	

O R D E R

On October 19, 1983, the Commission received a letter from Clark Rural Electric Cooperative Corporation ("Clark RECC") stating that the Commission's Order entered September 23, 1983, would apparently direct Clark RECC to comply in a manner that seems in direct conflict with the work order procedures of the Rural Electrification Administration. The letter requests an informal conference for the purpose of reviewing and understanding the Order and further requests that Clark RECC be allowed 30 days from the date of the informal conference in which to comply with the Order. The informal conference was held at the Commission's offices November 2, 1983.

The Commission will treat that portion of the letter from Clark RECC requesting additional time to comply with the Commission's Order as a Motion.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained, and the time in which Clark RECC shall comply with the provisions of the Commission's Order entered September 23, 1983, be and it hereby is extended to the close of business December 2, 1983.

Done at Frankfort, Kentucky, this 9th day of November,  
1983.
